▼ Lol. DC snipers will be dropping people like rain. DC HAS THE LARGEST ANTI TERRORISM UNITS IN THE WORLD. They train for this tear round.

▼ If they do it will be the very last thing they do. They will not make it off their roof top alive. And they will start a Civil War in the process. "Just doing my job" ain't gonna cut it.

▼ I know for a fact that many Trump supporting Navy Seals and Delta Force Members are going and are prepared for violence if it comes to that. They will handle the anti-terrorist sniping if they are so dumb to fire on the crowd.

▼ I got banned from a discord and some subs from reddit - because of being a "digital soldier" after I posted Flynn stuff.

Those were the days, running my little groups on reddit dodging the fucking cunts bullshit.

I don't have enough people to make fun of here. I like everyone lol.

Some of it was fun, back in the day..

These days the censorship is so fucking strict you have to be completely brainwashed to survive reddit.. or act like Winston from 1984.

-13 ▼ Shut up faggot flynn. Digital soldiers lol. Meaningless platitudes and whimsy. Why is he tweeting this? If you're in his circle, then tell Trump in person.

1 ▼ Doesn't seem like he's in the circle. It seems like they've closed the circle tightly enough where info isn't getting in.
